

SignalSerializationStrategy::deserialize

```
graph LR; A[SignalSerializationStrategy::deserialize] --> B[SignalSerializationStrategy::signalHandler]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a light gray fill and a black border, containing the text 'SignalSerializationStrategy::deserialize'. The right box has a white fill and a black border, containing the text 'SignalSerializationStrategy::signalHandler'. A dark blue arrow points from the right side of the left box to the left side of the right box.

SignalSerializationStrategy::signalHandler
